

Sans Brendan Fraser: The Scout

Housed in the former Opera space, TS's a flatscreen-packed, copper-walled pub, with piers snagged from Lake Michigan flanking a bar serving up sustenance including foot-long grilled cheeses w/ tomato basil dip, burgers like the Gruyere/caramelized onion/pancetta Big City, and the corned beef & thick-cut rye [serving up sustenance](#), though despite the obesity a of people still consider him a total Studdard.
